

strip, A, having ends constructed so as to interlock, and a strip, f, adapted to cover and protect the joint thus formed, as specified.

3. A spool case or cover comprising the
5 strip A, with interlocking ends, the end caps, d, and strip f, as set forth.

In testimony whereof I have signed my name

to this specification in the presence of two subscribing witnesses.

HELEN A. BLANCHARD.

Witnesses:

HARRY L. ASHENFELTER,

HARRY SMITH.
